DISCUSSION / FISCAL IMPACT / STRATEGIC FOCUS:

DISCUSSION:

Zip Books is a grant offered by the California State Library that allows patrons to request books and materials not currently owned in the library collection. The materials are purchased through Amazon, sent directly to the patron's provided address, and then returned to their nearest library or via the Bookmobile to be added to the collection. The program reduces barriers and increases access while also creating a more patron-driven collection reflecting unique needs and interests in our diverse communities.

FISCAL IMPACT: Inform the Board of all costs associated with the action, whether there is an increase in County cost and how it will be funded.
